14th September 2026

Dear Parent/Guardian,

The first **5 week** block of supervised Evening Study will commence on **Monday 21st September 2026**. Supervised study takes place from 4.15 to 5.45pm on Mondays, Tuesdays and Thursdays.

Evening Study is an important part of the school life. Students who attend study on a regular basis show improved grades and appear to do better in all exams. School life is busy for all students especially those doing State Exams, so evening study is an ideal way of preparing for them. I cannot emphasize enough the benefits of attending study in a quiet supervised environment.

A sandwich/snack and a juice will be provided in the canteen at 4.05pm on Monday, Tuesday and Thursday. A contribution of €2.50 per evening is required and must be paid in advance. This is non-refundable. If your child wishes to attend for one evening the cost is €12.50, two evenings cost €25 and so on.

The school Code of Behaviour applies during evening study and students must not use mobile phones/electronic devices during the supervised study. However, Chromebooks will be available to students who wish to access their Google Classroom or other resources.

A record of attendance will be kept and students who cannot attend for any reason must bring a note from home to explain their absence. Also a student who wishes to leave early must bring in a note and present it to the supervising teacher. This is in the interest of health and safety.

Please sign and return the slip if your son/daughter wishes to attend evening study. **Completed forms and monies should be returned to Ms. Coulter before Friday 18th September 2026.**

Thank you in advance for your co-operation.

Yours sincerely,

Ms J.Kelly
Principal

Principal: Ms. J Kelly

Deputy Principals: Mr. John Sweeney, Ms. Georgina White, Ms. Amanda Kelly

Supervised Study – 21st September 2026 to 22nd October 2026

Student Name: _____ Class: _____

I give my permission for my son/daughter to attend evening study.
