## School Book Scheme and Stationery Provision

May 2025

## **Book Scheme and Stationery Provision**

**Objective:** This policy aims to outline the expectations of parents/guardians regarding the revised Book Scheme 2025 and the provision of stationery packs by St. Columba's College ensuring the proper care of school property and addressing responsibilities in cases of loss or damage.

**Note:** Post primary schools are operating the School Book Scheme on a predefined and limited budget as determined by the Department of Education.

**Note:** It is important to note that the budget, as determined by the Department of Education, is subject to change annually and so we cannot guarantee the same provision year on year.

### **Book Scheme:**

- The books provided under the book scheme to all students (Junior Cycle, Transition Year, Leaving Certificate Applied and Leaving Certificate) remain the property of St. Columba's College at all times. These books are lent to students for the duration of the particular programme and must be treated with care and respect.
- It is important to note that schools will continue to use books already in circulation under the former book rental schemes. Schools will also re-use the books purchased under this scheme.
- It is the responsibility of parents/guardians to ensure that students handle the books with care to facilitate their reuse by the school in subsequent years.
- Parents/guardians are expected to cover the cost of replacing any lost or damaged books, beyond ordinary wear and tear. This includes damage caused by negligence or mishandling.
- Books will not be replaced if lost or mislaid. Replacement books must be purchased by Parents/Guardians

### **Stationery Provision:**

- St. Columba's will provide a standard stationery pack for all students, as outlined in Department of Education guidelines. This pack is intended to cover basic stationery needs for academic purposes.
- Parents/guardians should be aware that the provided stationery pack may not fully cover the total stationery and equipment requirements for all subjects for the entire year.
- Additional stationery or specialised equipment required for specific subjects may need to be acquired separately by parents/guardians. This requirement will be notified to parents by end of June 2025.
- Used and/or lost stationery is to be replenished/replaced by Parents/Guardians.

### Responsibilities of Parents/Guardians:

- Parents/guardians are expected to support their child's education by ensuring they have the necessary materials for learning, including textbooks and stationery. This includes the safeguarding of books/equipment/stationery for the duration of Junior Cycle, Transition Year and Leaving Certificate (including LCA) as per school policy.
- Regularly checking and monitoring the condition of books and stationery items provided to students is encouraged. Any issues should be promptly reported to the school.
- In cases of loss or damage to books or stationery, parents/guardians should notify the school immediately and arrange for replacement or reimbursement as required.
- Financial constraints should not hinder a student's access to education resources. Parents/guardians facing difficulties in meeting these obligations are encouraged to communicate with the school to explore available support options.

### School Support:

- St. Columba's College acknowledges that unexpected circumstances may arise, and endeavours to work with parents/guardians to address any challenges related to the book scheme or stationery provision.
- The school will provide assistance and guidance as needed to ensure all students have access to the necessary resources for their education. However, **please note, Schools are operating the School Book Scheme on a predefined and limited budget as determined by the Department of Education.**

### Review and Amendments:

- This policy will be reviewed periodically to ensure its effectiveness and relevance.
- Amendments may be made to this policy as deemed necessary by the school Board of Management, with consideration for input from relevant stakeholders.

St. Columba's College is committed to fostering a collaborative relationship with parents/guardians to support the educational journey of our students. We appreciate your cooperation and understanding in adhering to these guidelines for the benefit of all students and the school community.
